

Faraz bhai, mujhe Admin Panel ka Meeting section samajh nahi aaya. Isse yahan dikhane ka purpose kya hai? Agar iski zarurat nahi hai to please isse Admin Panel se remove kar do.

Aur jo upar image mein Decline button hai, uski jagah Cancel Meeting option kar do. Ye option sirf us user ko dikhna chahiye jisne meeting schedule ki hai, taaki woh meeting cancel kar sake. Yahan Decline ka koi meaningful use case nahi banta. Ha jisne schedule nahi ki uske liye accept decline sahi ha .

Isme aap venture ki complete detail show kare be like Area funding goal current funding active partners or not ye suspend ka meaning I also not understand isko bhi dekhe ek baar.
